

Rainbow Art Project

Learn your colors by making a rainbow in the clouds!

Goal(s) Addressed

- ★ Student will match to sample using art materials
- ★ Student will follow a sequence of instructions
- ★ Student will engage in a multi-textural activity

Materials Needed

1. Paper plate
2. Cotton balls
3. Liquid glue
4. Tweezers or clothespins
5. Strips of colored paper

Layout

How should the room look? Where are the student's placed? When will this be taught?

- Best done while seated at a table but can also be completed on the floor
- Create a model beforehand for the student to reference during the activity OR complete the activity alongside your student so they can observe each step

Activity

Describe each step in detail. Include key vocabulary.

1. Cut the paper plate in half OR into the shape of a cloud
2. Glue all of the colored strips along one edge of the "cloud"
3. Cover the rest of the "cloud" in glue
4. Use the tweezers/clothespin to pick up cotton balls and place them onto the cloud
5. Leave in a safe place to dry

Accommodations/Modifications/Adaptations

How can this lesson be adapted by kids with special needs?

- Create a visual schedule to highlight each step
- Use colored markers to indicate where each color strip should be glued
- Instead of using tweezers/clothespin, allow student to use fingers instead

Post a picture or video of your students completing the activity and don't forget to tag us!
